

[Continued from previous report]

With respect to the staff reimbursements under issue eleven, the Committee has amended the 30 Day Post General Report to provide permissible descriptions for each staff reimbursement and none of the reimbursements will require itemization under Commission regulations.

Through this response, the Committee can confirm, as you requested, that the appropriate steps have been taken for the donations under question and no further action is required under Commission regulations.

Sincerely,

Larry Ness, Treasurer  
Friends of Todd Young
